

# BORN ON THE FULLMOON

celebrate the life of Gururji

Friday, July 15, - 6 - 9:30pm

Join us for our 1st annual vegetarian potluck dinner and special ceremony to honor our teacher Sri K. Pattabhi Jois.

To celebrate him, his birthay and his life work and his role in our lives as a guru.

**Guru Purnima**, or the Full Moon of the Guru, is celebrated in the month of Ashadha (July-August). This day is significant for disciples who seek to get initiated by their Guru, students who desire to get the blessings of their teachers, and for everyone who wants to honor persons of great wisdom and learning. This is a rare time to solve unsolved problems.

The word '**Guru**' means remover of darkness (In Sanskrit, "Gu" means darkness, "Ru" means remover). Thus, Guru Purnima is the day of eradicating ignorance and illuminating our lives with knowledge. On this day, Guru can inspire us to overcome our limitations and conjure a life of wonderful possibilities.
